

Spring 2021 news...

Hello!

Spring is here, vaccines are here and our **new container from Europe** will soon be here too! Lots of wonderful chairs, tables and lighting are heading towards USA (let's hope recent "tiny" Suez traffic accident affecting global ocean freight transport won't make the trip longer)...Among other unique and carefully selected pieces is one of the best chests of drawers Combray Gallery ever offered, a Russian masterpiece, sailing now and scheduled to arrive **in early May**...tickle,

tickle...

...

*In the meantime, on this side of the pond, two **Carlo Bugatti** pieces we acquired in May 2020 in Italy **FINALLY** landed in Hudson, via France - our favorite French shipping company ESI Fine Art did a masterful job packing and delivering, we almost want to offer that crate for sale how well sculpted it is! Parfait!*

...

*And finally, for your viewing pleasure, here is a collage of our latest window display featuring wonderful, rare **Carlo Bugatti** chairs and floor mirror; a very pretty acrylic on canvas by our dear friend, German artist **Claudia Fauth** whose artworks are now available at Combray Gallery; and a festive vignette with various **Art Deco/Art Nouveau** period pieces (as well as fine international guzzles) from France, Germany, Sweden, Italy, USA and Austria...*

...

***We hope you and your family are well and we look forward to seeing you soon!***
