

Ref #: CT35

Rectangular dining table of extraordinary quality displaying wonderful architectural form, having a molded edge top in book-matched oak raised on four imposing post legs ending in channeled ellipsoid spheres and resting on two platform bases. Two original end extensions. In oak. By Albert Lucien Guenot (1894-1993). Art Deco period.

Currently in restoration.

Matching eight dining chairs (ref# SC19) available.

Age: 1930's/early 1940's

Origin: France

Measurements: 75" w, 40 1/2" d, 30 1/2" h (each extension 15 1/2", total length when extended 106")
