

**Ref #:** SV23

Wonderful and very well designed sideboard having three doors decorated with bas-reliefs depicting stylized flowers, leaves, birds and scrolling branches and each enclosing a single shelf; capped with three bombe-front drawers fitted with brass pulls and stowed right below the top; the whole raised on four balusters on a flat platform base which corresponds with protruding top. In oak.

Part of a suite with dining table (ref# CT34) and six dining chairs (ref# SC18) - all offered separately.

**Age:** 1930's/40's
