

Jugendstil period center table

Ref #: CT15

Swedish Jugendstil period center table featuring oval top with thick apron on cuboid pedestal and frustum platform base, all inlaid with corresponding rosewood banding. Pedestal decorated on all four sides with inlays in rosewood depicting rectangular frames enclosing oval frames with three overlapping birch tree leaves inlaid in stained birch and walnut (inlays correspond with shapes used in design of this table). Resting on four small block feet. In flame birch.

Age: Early 1900's

Origin: Sweden

Measurements: 39 1/4" w, 29" d, 30" h
