

Ref #: SV31

Magnificent Modernist sideboard featuring middle row of three drawers flanked by two doors with channeled frames, all decorated with repetitive carved round divots and placed between a floating platform top and corresponding platform base; the whole raised on a pair of frontally curved, full-depth channeled supports which correspond with doors. In oak. By Victor Courtray (1896-1987).

Currently in restoration.

Age: 1940's

Origin: Biarritz, France

Measurements: 75" w, 20 1/2" d, 40 1/2" h
